EDUCATION

University of Business & Technology (UBT) | Aug 2024 - Jun 2028 (Expected)
B.Sc. in Business Analytics and Information Systems | CGPA: 5.0/5.0
IE University | Jul 2026
Breakthrough Robotics | Won the program's final robotics competition

EXPERIENCE

Admin Intern, University of Business & Technology (UBT) | Sep 2025 - Present

- Collected and organized 100+ evidence documents for three sustainability reporting frameworks: UI GreenMetric, THE Impact Rankings, and PRME SIP.
- Worked directly with Dr. Yussra Jamjoom to coordinate evidence collection, clarify documentation requirements, and prepare reporting materials.
- Supported 5+ campus events with a combined 1,000+ participants, coordinating administrative logistics, communications, and student engagement.

Marketing Intern, TheFounder&Co. (formerly ReThink HR Solutions) | Jul 2026 - Sep 2026

- Built and launched the company website, developing information architecture, web copy, user experience, and core functionality.
- Conducted founder, competitor, and market research to inform brand positioning, content strategy, and promotional decisions.
- Joined meetings with CEOs from Foodics, Spice, and Falak; met and connected with 30+ prospective clients through meetings and industry networking.

Founder & CEO, Tiin (Saudi SME Venture) | Sep 2025 - Sep 2026

- Developed a hackathon concept into a student-led SME venture selected for Monsha'at's six-month Human Capability Development Program.
- Led problem research, business-model development, pitching, mentor engagement, and early product direction; independently led the final stage of validation and sales.

Social Media Marketing Intern, Foni (Global Nonprofit) | Jul 2024 - Nov 2024

- Analyzed weekly engagement data to refine content strategy and improve reach; collaborated with an international team to align messaging with the nonprofit mission.

Marketing Team Member, Pakistan Humari Pehchaan | Oct 2023 - Jun 2024

- Used social media analytics to refine campaigns and attracted approximately 50 prospective clients through targeted elevator pitches.

EXTRACURRICULARS

Student Representative, BAIS Advisory Board - UBT | Nov 2025 - Present

- Represent student perspectives in advisory board discussions, contributing feedback on the student experience, program development, and curriculum alignment with industry needs.

President, Sustainability Club - UBT | Mar 2025 - Present

- Led Think Sustainability: From Idea to Impact, attracting 222+ registered participants from 4+ universities and schools; coordinated 35+ volunteers, 15+ exhibition projects, and 8 booths.
- Introduced a QR-based loyalty system that recorded 443+ booth interactions; earned a 4.9/5 average event rating from 71 feedback responses.
- Published sustainability articles and managed Instagram campaigns generating 21,500+ views and 550+ engagements.

EXTRACURRICULARS CONTINUED

PR Team Leader, Sustainability Club - UBT | Jan 2025 - Mar 2025

- Led a four-person team to secure two sponsors; engaged 50+ booth visitors and recruited 10 new club members through targeted outreach.

Finalist, Moonshot Pirates Global Sustainability Challenge | Nov 2024 - Jan 2025

- Co-developed a food sustainability solution using Solar Foods' Solein protein; presented pitches and prototypes to judges including global CEOs, placing in the top 7 of 78 teams.

Innovator, The Knowledge Society (TKS) | Aug 2023 - Jun 2024

- Led a winning hackathon project and presented challenge projects to Meta's Oversight Board and the World Economic Forum.
- Researched and developed an air-to-water moonshot project to address water scarcity in underserved regions.

Venture Head, Food Gala and Bonanza | Nov 2023 - Jan 2024

- Secured financing and led 75 students to operate an eight-day food stall generating SAR 30,000 in revenue; managed budgeting, logistics, marketing, and customer service.

Head Girl, Pakistan International School Jeddah - English Section | Sep 2023 - May 2024

- Led 10+ student representatives and coordinated with faculty on student concerns and school policies; organized personal development workshops for 1,000+ students.

Content Creator & Student Career Support

- Built a LinkedIn community of 4,700+ students and young professionals; create content on personal branding, student careers, and public speaking, and help students communicate their experience.

CERTIFICATIONS & PROGRAMS

- McKinsey Forward Program; Fintech Summer Sessions 2025
- Monsha'at University Business Accelerator Program; Misk x Pristine Sustainability & Innovation
- IBM Bob Global conference
- Garage Challenge - 7th place in the university competition
- Introduction to Artificial Intelligence (AI) - IBM; Communication in the 21st Century Workplace
