SHAPE THE FUTURE CHALLENGE

# MARYAM IMRAN

TEAM'S MOONSHOT

**SUSTENANCE**

SDG 12, 13

The Shape the Future Challenge is a transformative 4-week online program designed to empower young aspiring leaders and their innovative solutions for a better future. In the challenge, participants engage in diverse group collaborations and receive guidance from international mentors as they explore sustainable development goals, exponential thinking, and cutting-edge technologies. They sharpen their skills in research, ideation, prototyping, pitching, and promoting their solutions.
